1. If you are driving or pulling a Recreation Vehicle, or plan to camp, please find your reserved area that is assigned to you.
2. If you are driving a car, van or truck, and not pulling an RV, nor plan to camp, please park close to the Visitor's Center.
3. 10:00 AM. By this hour you should be on the lawn of the Visitor's Center. The Dedication Ceremony will begin there at 10:30 AM. This will last for approximately one-half hour.
At Gov. Oleen's Walker
4. 11:15 AM. Move quickly to the gate where you showed your Invitation Pass. The news media will film the cutting of the ribbon as the first R. V. Vehicle passes "officially" through the gate.
5. After the ribbon cutting, please return to the Visitor's Center. There, in the main hall notice the large displays and the pictures of William and Ann Davis Hailstone as well as a brief statement concerning the families who first lived on the Hailstone Ranch.
6. 11:30 AM. We will gather in the large conference room at the southeast end of the Information Center. Please sign in at the table representing your family: Davis, Morris, Petersen, Hailstone. You will find pictures and large "Descendancy Charts" of each family.
7. We have provided lists for you to sign, for those pictures you would like to buy or have sent to you. This "want-list" includes a copy of the Descendancy Chart of your own "Family Tree."
8. By default, and NOT in our family planning, (explanation forthcoming) we fell "heir" to some beautiful golf shirts at a wholesale price with the name "Hailstone" on the front.
An excellent souvenir!
